

Dear Parents -

As we approach the beginning of the 2017-2018 school year, we want to take the opportunity to thank you all for your participation in this program, and for helping us make 2016-2017 a successful and inspiring first year as a brand new program. In August of 2016, we combined our Park City School District Community Education After School Program with Holy Cross Ministries' After School Program. It has been a year full of learning, growth, making new friends, and embracing incredible opportunities.

We are extremely proud of all the community partnerships that make this program possible. With the help of Park City Education Foundation, United Way, and Park City Community Foundation, we are able to provide the highest quality of after school programming in town, with a unique fusion of fun and academic enrichment. We will continue to develop the four main pillars of our program: academic enrichment, homework help, physical education, and field trips. It is our main priority to keep the children safe in a positive and engaging learning environment. The students will continue to build their STEM and literacy skills with a host of new, fun projects and learning opportunities next year. We will also be happy to continue our partnerships with some of Park City's most amazing organizations: EATS Park City, Kids Outdoors, Basin Recreation, the MARC, Youth Sports Alliance, Latinos in Action, and Big Brothers Big Sisters. This year we will focus on monitoring the success of our program and ensuring that we are providing the strongest academic support that we can. We will target the areas where students need help the most, and focus on building the essential skills they need to succeed in regular day school.

As always, we welcome your feedback and feel free to contact our program staff with any questions. You and your children are what makes this program possible, and we could not do it without your support. Thank you for your participation and we look forward to another successful year. Please note our general program details below.

Attendance Options & Pricing

Monday through Friday: \$325

Monday through Thursday: \$225

Friday only: \$120

*Scholarships and financial assistance available for those who qualify.

PCSD Community Education

Office: 435-615-0216
