

Park City School District *Community Education* Summer 2017 Math

Calculus A

This course covers the material necessary to succeed in AP Calculus BC after completing secondary math 3 honors or college algebra and trigonometry (pre-calculus). This course also serves students who have completed secondary math 3 honors but may not be ready for AP Calculus AB or just wish to have a first introduction to calculus. Successful students receive 0.5 high school math AP credit. The instructor is Lars Nordfelt. *No school 7/4.*

Mon. - Fri. • June 19 - July 14 • 8:00 - 11:00am • Park City High School • \$75

Bridge to Secondary Math II Honors

This course helps students gain the skills required to go from Secondary Math I to Secondary Math II Honors. Topics include: Understand and use logical reasoning to make and evaluate argument, recognize vector quantities as having both magnitude and direction and by directed line segments and use appropriate symbols for vectors and their magnitudes. Successful students receive 0.25 high school elective credit. The instructor is Debra Alcox.

Mon. - Fri. • June 19 - 23 • 9:30am - 12:30pm • Park City High School • \$75

Bridge to Secondary Math III Honors

This course helps students gain the skills required to go from Secondary Math II to Secondary Math III Honors. Topics include those gained from the Bridge to Secondary Math II Honors course (above), as well as the complex number system, conics with associated properties and equations, and trigonometry identities and solving trigonometric equations. Successful students receive 0.25 high school elective credit. The instructor is Jamie Weekes.

Mon. - Fri. • June 12 - 16 • 11:30am - 1:30pm • Park City High School • \$75

Credit Recovery Classes

Topics are taken from the state secondary math curriculum. Receive individual instruction based your graduation requirement needs. Successful students may receive 0.25 math credit for each quarter completed. Amount of credit awarded is dependent on completion of work. Students may not miss more than three days. If coursework is complete prior to the final class date, the student will be excused from the remainder of class. ***The credit recovery classes are underwritten by the Park City High School's Community Counsel and open to Park City School District students only.***

- ***Secondary Math I Credit Recovery***

This course is for students who failed one or more quarters of Secondary Math I.

Open to Park City School District students only.

Mon. - Fri. • June 12 - 30 8:00 - 11:00am • PCHS • Free

- ***Secondary Math II Credit Recovery***

This course is for students who failed one or more quarters of Secondary Math II.

Open to Park City School District students only.

Mon. - Fri. • June 12 - 30

8:00 - 11:00am • PCHS • Free

- ***Secondary Math III Credit Recovery***

This course is for students who failed one or more quarters of Secondary Math III.

Open to Park City School District students only.

Mon. - Fri. • June 12 - 30

8:00 - 11:00am • PCHS • Free

Summer 2017 Math & Writing

Get Ready for Secondary Math I

This course reviews 8th Grade Math and earlier courses and introduces Secondary Math I. No credit. No credit. Taught by Tasha Hodge, who is a licensed math teacher at Treasure Mountain Junior High.
Mon. - Wed. • August 7 - 16 • 12:30 - 3:00pm • Treasure Mountain Junior High • \$75

Get Ready for 8th Grade Math

This course reviews 6th and 7th grade math and introduces 8th Grade Math. No credit. Taught by Tasha Hodge, who is a licensed math teacher at Treasure Mountain Junior High.
Mon. - Wed. • August 7 - 16
9:00 - 11:30am • Treasure Mountain Junior High • \$75

Get Ready for 7th Grade Math

This course reviews 6th grade math and elementary mathematics and introduces 7th Grade Math. No credit.
Mon. - Fri. • August 7 - 11
8:30 - 11:30am • Ecker Hill Middle School • \$75
Mon. - Fri. • August 7 - 11
12:30 - 3:30pm • Ecker Hill Middle School • \$75

Get Ready for 6th Grade Math

This course reviews elementary mathematics and introduces 6th Grade Math. No credit.
Mon. - Fri. • August 7 - 11
8:30 - 11:30am • Ecker Hill Middle School • \$75
Mon. - Fri. • August 7 - 11
12:30 - 3:30pm • Ecker Hill Middle School • \$75

Get Ready for 5th Grade Math

This course reviews elementary mathematics and introduces 5th Grade Math. No credit.
Mon. - Fri. • August 7 - 11
8:30 - 11:30am • Ecker Hill Middle School • \$75
Mon. - Fri. • August 7 - 11
12:30 - 3:30pm • Ecker Hill Middle School • \$75

Get Ready for 4th Grade Math

This course reviews elementary mathematics and introduces 4th Grade Math. No credit.
Mon. - Fri. • August 7 - 11
8:30 - 11:30am • Ecker Hill Middle School • \$75
Mon. - Fri. • August 7 - 11
12:30 - 3:30pm • Ecker Hill Middle School • \$75

Ready, Set, Write! (Grades 6 - 7)

Upgrade the writing skills that you need in secondary school. Improve your writing ability so you feel more comfortable and confident when school starts. Practice writing across the curriculum with common core standards, but have fun, too! This class helps students using high interest writing prompts and engaging activities. (This is not a creative writing fiction class). Taught by Katie McGinn, a licensed teacher at Ecker Hill Middle School.
Mon. - Fri. • August 7 - 11 • 9:45am - 12:15pm • EHMS • \$99
