

PCHS/TMJH SWIM TEAM
Swim Practice
School Bussing

- A school bus will take the PCHS/TMJH swim team students to EHMS after school for swim practice.
- This will begin and end with the season dates for the UHHAA sanctioned PCHS/TMJH swim team.
- A list of the swim team will be forwarded from the coach to Transportation.
- Team members will be issued bus passes. If they already have one that will be the pass for use. They need to keep these passes until they graduate from PCSD.
- If the pass is used only for the swim team bus it will be deactivated at the end of each season of eligibility.
- The bus will drop the team off in the EHMS bus loading zone on the north side of the school. This is because of the congestion in the faculty/patron parking lot.
- This service is available only for the sanctioned UHHAA swim team.
- Other swim events such as water polo, club, age, etc are not sanctioned and do not qualify for school bus service.
- The EHMS stop is the only authorized stop during the season. It starts and ends with the season.
- The bus is not authorized to stop at other locations for the swim team. Swim Team students are authorized to go from PCHS/TMJH to EHMS only.
- Items carried on the bus must fit the lap of the student. Nothing is allowed in the aisles or unsecured. Safety protocol
- Only registered PCHS/TMJH, 9-12 grade students are eligible for this service.
- This information is also available in the on the Swim Team website.
- Parents and students will be informed annually by the swim coach of this protocol.
- Once the season is over Swim Team students, unless their home is on this route, are no longer eligible for this service.
