

McPolin Office Update Monday, October 3rd, 2022

Hello McPolin Community,

I want to give a special thanks to our PTO for putting on an incredible Fall Festival Event on Friday, September 30th. We had so many families come and everyone had a blast!

I cannot believe we are already into October. The leaves are changing and the weather is getting cooler. This is my favorite time of the year.

We have so many things on the calendar for October.

October 3-21- Parent Teacher Conferences

October 4- 8:15 am PTO meeting- Cafeteria- ALL are welcome!

October 5- Yom Kippur- NO SCHOOL

October 11- 8:15 am- Cafe Con Amigo- ALL are welcome!

October 12- 2nd grade field trip- PC Museum

October 12- SCC meeting 1:45-2:45

October 13-14- Fall Break- NO SCHOOL

October 21- Rollin with McPolin at Recess- Students can bring any wheels- Make sure they have a helmet.

October 24- Motivated Moose- 2:00 pm

October 26- 5:30-7:30 pm- Community Engagement Night- Flu Boosters and COVID Boosters **Free!**

October 31- Halloween- Students may wear costumes all day- No weapons or No Gory make-up, 1:00 pm- parade in the gym- Classroom Parties to follow parade.

Our K-3 English Teachers begin their two-year training on the “Science of Teaching Reading” brought to us by the State of Utah. It is called- **Letrs**. Dr. Louisa Moats will be talking more about this subject, the flyer we sent home last week has all the details. We are excited to have our K-3 English teachers, district wide, participate in this research based multi-year class.

As we move into the school year we understand that students will be missing school due to illness. This makes it even more important that when they are feeling well, they come to school. This way we can reserve absent days for **illness ONLY!!!! Please try and schedule appointments and activities for after the school day** and not during the school day. If an appointment is scheduled during the school day, please contact the front desk the morning of the appointment and schedule your student’s early dismissal. It is extremely important that students are at school for the full instructional day. Please help us with this!

Warm Wishes,
Angie Dufner
