

## McPolin Office Update Tuesday, November 1<sup>st</sup>, 2022

Hello McPolin Community,

Welcome to November. A time to be thankful for friends, family and our McPolin Community. I am thankful that I get to be the leader of such an AMAZING school filled with wonderful students, dedicated teachers and helpful and supportive families.

### **Special Thanks and Opportunity:**

Thank you to ALL of our Adult and Student volunteers who are doing a great job with recycling, composting and now pumpkin composting. This is a TON of work. **If anyone can help with composting any day 10:30-12:00- we would REALLY appreciate it . It takes a lot of people to make this work. It is easy to manage and doesn't take much training. If interested please contact the PTO at [mcpolinpto@gmail.com](mailto:mcpolinpto@gmail.com).**

### **WE NEED YOUR HELP!!!**

We understand that students will be missing school due to illness. This makes it even more important that when they are feeling well, they need to come to school. This way we can reserve absentee days for **illness ONLY!!!!** Not vacations. **Please try and schedule appointments and activities for after the school day...** Not during the school day. We have **WAY** too many students being checked out in the middle of the day. **We need to make sure we have the students in school from 8:00-3:00 M-Th and 8:00-12:30 pm on Friday.**
