1. Notice. Notice is hereby given that the Property is or may be contaminated with hazardous substances as described below and, therefore, this Environmental Covenant must be imposed to mitigate the risk to the public health, safety and the environment.

2. Environmental Response Project. Elevated levels of lead have been found within the boundaries operable unit 1 (OU1) of the Uintah Mining District Site (Site) in Park City, Summit County, Utah, at 2530 Kearns Blvd., Park City, Utah. Pursuant to an Action Memorandum dated September 10, 2015, and as amended on July 12, 2016, the U.S. Environmental Protection Agency (EPA) completed a removal action at the Site to excavate contaminated material and provide a 6 inch cap of clean fill under the authority of the Comprehensive Environment Response Compensation and Liability Act of 1980. The Environmental Covenant outlined herein is necessary to fully implement the removal action selected in the Action Memorandum.

3. Grantor. Board of Education of Park City School District, a public corporation of the State of Utah, is the Grantor of this Environmental Covenant and is also an Owner as defined in Paragraph 4.

4. Owner. The "Owner" of the Property is a person who controls, occupies, or holds an interest (other than this Environmental Covenant) in the Property at any given time. Consistent with Paragraph 9 of this Environmental Covenant, the obligations of the Owner are imposed on assigns, successors in interest, including without limitation to future owners of an interest in fee simple, mortgagees, lenders, easement holders, lessees, and any other person or entity who acquires any interest whatsoever in the Property, or any portion thereof, whether or not any reference to this Environmental Covenant or its provisions are contained in the deed or other conveyance instrument, or other agreements by which such person or entity acquires its interest in the Property or any portion thereof (the "Transferees").

5. Holder. The Board of Education of Park City School District is the Holder of this Environmental Covenant. The Holder may enforce this Environmental Covenant. The Holder shall not incur liability under state law or otherwise solely by virtue of being a holder under this Environmental Covenant. Pursuant to the Utah Act, a Holder may also be an Owner.

EPA and DEQ may be referred to herein collectively as the "Agencies". The Agencies may enforce this Environmental Covenant. The Agencies assume no affirmative duties through the execution of this Environmental Covenant.

Such topsoil shall extend twelve inches beyond the edge of the flower or vegetable planting bed.

All flower or vegetable planting beds above grade shall extend a minimum of sixteen inches above the grade of the six inches of approved topsoil and shall contain six inches of 200 mg/kg or less lead topsoil cover and shall contain only 200 mg/kg lead or less topsoil.

All shrubs planted on the Property after the removal action shall be surrounded by 200 mg/kg lead or less topsoil for an area, which is three times bigger than the rootball and extends six

Failure to timely enforce compliance with this Environmental Covenant or the activity and use limitations contained herein by any party shall not bar subsequent enforcement by such party, and shall not be deemed a waiver of the party's right to take action to enforce any noncompliance. Nothing in this Environmental Covenant shall restrict the Agencies from exercising any authority under applicable law.

11. Rights of Access. The right of access to the Property is granted to the Holder, the Agencies, and their representatives for necessary response actions, inspections, implementation and enforcement of this Environmental Covenant.

12. Notice upon Conveyance. The Owner shall notify the Agencies and the Holder within 10 days prior to each conveyance of an interest in any portion of the Property. 15. Amendment or Termination. This Environmental Covenant may be amended or terminated pursuant to the Utah Act. Grantor waives the right to consent to amendment and termination and also consents to the recording of any instrument related thereto if Grantor is not the Owner at the time of the amendment or termination.

16. Effective Date, Severability and Governing Law. The effective date of this Environmental Covenant shall be the date upon which the fully executed Environmental Covenant is recorded as a document of record for the Property with the Summit County Recorder. If any provision of this Environmental Covenant is found to be unenforceable in any respect, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.
