

# HOW TO ACCESS NAVIANCE AFTER YOU GRADUATE

**\*\*\* To log in to Naviance, you will use the same username and password you used during your senior year. \*\*\***  
We will not change your log in information.

However, if you forget your username or password, you will need to get a password reset. You will lose access to your school district email after you graduate, so if you forget your password, Naviance will need a way to email your password reset to you. **We will be asking you for your personal email address in the Senior Farewell survey in Naviance for this purpose.**

## BEFORE JUNE 10th of your Senior year:

If you forget your username or password, use your school district student email to reset your password.

1. You can access Naviance at <https://student.Naviance.com> and type in the school zip code, 84060. The link is also available on the PCHS website, under Counseling.
2. Once on the log in page, click the “Forgot your password?” link. Enter your PCSD school email address (example: [jsmith22@pcstudents.us](mailto:jsmith22@pcstudents.us)), then click Reset My Password.
3. You will receive an email from Naviance (in your school email) which will include a temporary password and login instructions. Once you log in with your temporary password, you will be prompted to create a new password. If you don't see the email from Naviance in your Inbox, check your spam or junk folder.

## AFTER JUNE 10th of your Senior year:

We will change the contact email on your Naviance account to the personal email you gave us in the Farewell Senior survey. **If you forget your username or password**, you will need to use that personal email to reset your password.

1. You can access Naviance at <https://student.Naviance.com> and type in the school zip code, 84060. The link is also available on the PCHS website, under Counseling.
2. Once on the log in page, click the “Forgot your password?” link. Enter your personal email address, then click Reset My Password. (\*If you didn't give us your personal email in the survey, you can request official transcripts from the District Office at 435-645-5600 or 2700 Kearns Blvd., or contact the PCHS Registrar to request a password reset for Naviance.)
3. You will receive an email from Naviance (in your personal email) which will include a temporary password and login instructions. Once you log in with your temporary password, you will be prompted to create a new password. If you don't see the email from Naviance in your Inbox, check your spam or junk folder.
