

McPolin Office Update Thursday, December 1st, 2022

Hello McPolin Community,

I hope all of you had a great break with family and friends. I am truly thankful to be able to work at a school with such supportive, hardworking families, amazing students and talented staff.

Opportunity- We have a job opportunity available for 29.5 hours a week. This person will work with students and help with our composting program at lunch in a fun and rewarding environment. We are flexible with hours and days. This would be a great job for someone who wants to work the same hours as their students' school schedule, someone who is retired or a college student. **We welcome anyone and all to apply** through our district website.

Absences- We only have 3 weeks until our next break. Please try and make **every effort** to have your child at school on time and stay **the whole day..... EVERYDAY!** As a community we need to ensure our children's education is not compromised by absences that are unnecessary. Obviously if a child has a fever, throwing up, excessive cough, or any contagious symptoms we would want them to stay home.

Parking- As the weather shifts to winter and you want to park your vehicle rather than dropping off in the car lane, please think about using a different parking lot in order to minimize the vehicle traffic in the parking lot.

- High school parking
- Treasure Mountain
- Learning Center

Food drive-McPolin will participate in a Community Food Drive for the next 3 weeks. We will have food baskets set up as you enter the school for our students and families to donate nonperishable food items. We will also be a "hub" for our Park City Community. We will have boxes outside the front doors for the community to drop off food.

Here is what is happening this month:

Dec. 6- PTO meeting- 8:15 am- Cafeteria

Dec. 13- Cafe Con Amigo- 8:15 am- Cafetería
