

Guiding Principles

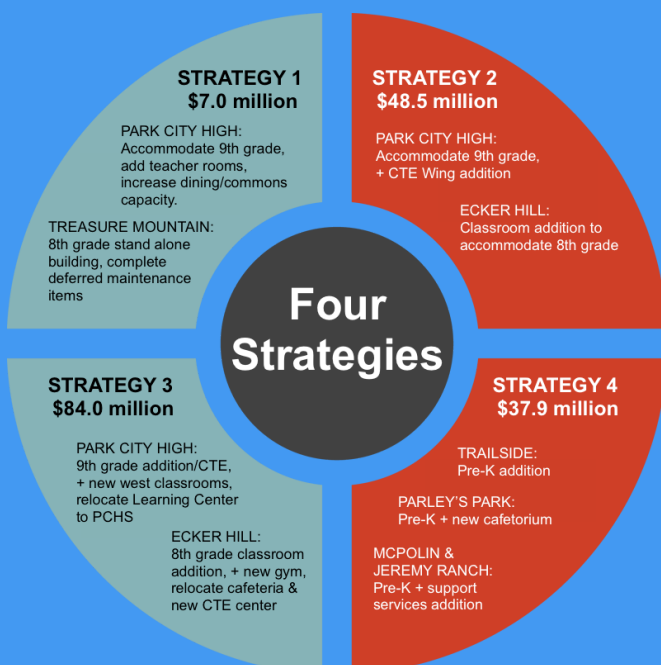

Options

We invite you to review the master planning facility options presented to the Board of Education on Tuesday, May 19. The full presentation can be viewed [here](#).

It is unlikely that PCSD will hold a bond election this fall. The district is currently exploring multiple funding options to lessen the financial impact for taxpayers.

Watch for ways to add your voice on these options in the coming weeks.

Strategies

Next Steps

- Reprioritize remaining building strategies.
- Evaluate long-term PCHS addition strategy including on site rebuild or relocation.
- Continue re-development strategies for the Kearns Campus to reduce congestion.
- Assess adaptations to early learning and wrap-around service components.
- Refine zero-energy modification strategies to existing building inventory.
- Continue to explore time-sensitive funding opportunities.
- Continue developing strategies to reduce congestion at Ecker Hill Middle.
